Vision: "Together, building a healthier community"

Mission: People taking action to promote a healthier community by making the healthiest choice the easiest choice.

Alcohol & Other Drug Prevention Workgroup

This workgroup seeks to address the issue of substance use and abuse by implementing and supporting multiple strategies across multiple sectors of the community, residents will live healthier lives.

Mental Health Workgroup

This workgroup is focused on increasing access to mental health resources for residents in the greater-Oxford area and reducing the stigma of seeking treatment.

Active Living & Healthy Eating Workgroup

This workgroup seeks to engage community members of all ages to promote a healthy lifestyle, especially in the areas of healthy eating and active living.
